I am not actively engaged in the business of plumbing or gas fitting at this time, and request that my file be placed in inactive status, **for a minimum of one year**, effective January 1, _____.

I understand that should I decide to become actively engaged in the plumbing or gas fitting business, that I will complete the "Waiver of Annual Fees/Penalties form, furnishing the documentation as requested on that form. Failure to reactivate certification before engaging in plumbing and/or gas fitting will render this affidavit **null and void** and result in a payment due for the back years for which this inactive status applies; and/or be subject to be fined or arrested for working illegally.
